## Focus on..... Accounting

In each issue I focus on a few great resources for a specific program or area of interest in the PSB.

**ProQuest Business Collection** includes the *Accounting & Tax Database*, "the quintessential accountant's database. It brings together highly ranked global and scholarly journals with key resources for locating quick and precise results covering current news and topics, as well as the trends and history influencing important accounting and tax issues of the day." Coverage dates from the present back to 1971.

**CICA Handbook (Knotia.ca)** Includes the CPA Canada Standards and Guidance Collection for accounting professionals.

**Accounting Research Guide.** Accounting dictionaries, databases, eBooks, associations, web links and more.

**Accounting Fundamentals.** 2hr 46 min  
**Finance Fundamentals.** 3hr 27 min

## Tips for All Business Faculty

### Tools to Try: **PollEverywhere**

Engage, interact & assess comprehension in real time using **Poll Everywhere**. Students can use mobile phones, Twitter, or web browsers, and you can display the poll results instantly. Free.

## Just a reminder....

As your liaison librarian, I'm here to help your students, *and you*.

- Class visits
- Course or assignment resource suggestions
- Research assistance
- *Research Guide* creation for courses or assignments
- Individual or group faculty training for any of our 185+ online library resources.

## Did you know?

We have access to the **Conference Board of Canada publications**? 4000 reports on economic trends, HR Management, Risk Management, Organizational Excellence, & more.

## Need a Case Study?

The library's [ProQuest Business Collection](#) now includes hundreds of *Times 100 Case Studies*. Each study is four pages, profiles a large or global company, and includes four exam-style questions.

Just click on 'Publications' from the top menu, and then type "Times 100" in the search box to browse all case studies, or search within the results for a specific company name.

## BASE

Search over 70 million open access documents from 3,000 sources with [BASE \(Beilefeld Academic Search Engine\)](#). BASE content includes Books, Articles, Journals, Case Studies, Reports, Papers, Lectures, Reviews, Audio, Videos, Images, Theses, Maps, Software & Primary Data. Access is provided to the full texts of about 70% of the indexed documents. Operated by Bielefeld University Library. Learn more [here](#).

Currently in BASE: 71,876,389 Documents of 3,450 Content Sources
